Double up against occasional fatigue with all-day B Vitamins e energy support.†

Whether it's that early morning fog or the 3pm wall, occasional fatigue drains your body of the energy you need to get through the day. With the fast pace of life, it can be hard to get natural, energy-supporting nutrients – such as vitamin B – into your diets at the right amount, much less at the times you need it most.

Nutrilite™ Vitamin B Dual-Action combines both instant and extended release technology to provide all-day energy support.† This bi-layer tablet releases 8 essential B vitamins – 2 instantly and 6 more slowly and steadily for 8 hours of energy support.† No caffeine. No upset stomach. Just all-day B vitamins from natural spirulina harvested on our NutriCert™ certified partner aqua-farm. All in one dual-action, once-a-day, plant-powered supplement.

Who It's For:

- Anyone looking for a daily supplement that delivers an instant – and continuous – source of B vitamins for energy support.†
